Psychology Trainee

Hi, I'm Kaitlyn! I'm originally from Phoenix, AZ but have been enjoying living in Seattle for the past 6 years. I'm currently a 5th year doctoral student in Clinical Psychology at Seattle Pacific University and an aspiring neurodevelopmental child psychologist. I'm excited to participate in the LEND training program to learn how I can provide better and more neurodiversity-affirming care to the children and families that I work with. In my free time, I enjoy taking my cute pup on adventures.
