

KATY GRANATH, MSW
she/they

- Degrees in biology, interdisciplinary studies, and social work; works in public health
- Currently resides in Northwest WA; grew up in the PNW and rural Nevada
- LEND is an exciting opportunity to engage passion for health systems, policy, and delivery, disability justice, and neurodiversity
- Relishes bright colors, bold patterns, strong coffee, cold weather, and loud laughter
- Often found with nose in a book, hands on a crochet hook, and/or snuggled up with their dog
