

Lilly Louden-Mosio, BA (She/Her)

Social Work

- I'm from Bainbridge Island (30 minutes away by ferry boat) and live in Cap Hill now
- I'm excited to collaborate with such an awesome multidisciplinary team and work towards more accessible and equitable healthcare for our patients and families
- When I'm not at work or school, I enjoy Sunday farmer's markets, hanging out with friends and family, and getting super cozy with a good book or show
