

UWLEND
Personal Statement

Instructions:

- Download this document and prepare your personal statement by responding to each question
- Save your work and be prepared to upload your personal statement when completing your UW LEND application
- Alternative: You may audio record or video record your responses. Save your audio/video file and upload when completing your UW LEND application.

Name:

Describe your experiences working with children, adolescents or young adults with developmental disability and their families. (May include coursework, professional work, and/or lived experience)

Describe what you hope to learn as a LEND trainee. Tell us about any contributions you will bring to the program and share with other learners.

Describe your experiences and activities in areas of diversity, equity, and inclusion. (May include your academic education, professional work, personal life and/or lived experience)

Consider a vision of yourself in 5 years. What are your leadership aspirations and where do you hope to be in 5-years serving individuals in the disability community?

Optional: Any additional comments you wish to share.
