

Meagan Dodge, MD (she/her) Physician Fellow, Developmental Behavioral Pediatrics

- Grew up with midatlantic East Coast origins & then migrated West Coast (close to 20 years in Seattle!)
- Had a former career practicing pediatric hospital medicine at Seattle Children's Hospital
- Excited to learn and grow alongside interdisciplinary professionals in the service of children and families with LEND & the practice of developmental pediatrics
- Live with my husband and three children (8 yo, 6yo, 3yo) in northwest Seattle
- Playing by dancing, singing, swimming, & outdoor exploring with my family. Currently learning acoustic guitar as an adult in my pop girl music era.
