

Tiffany Elliott, SLP, IBCLC, she/her

UW LEND Trainee Speech Language Pathology

LEND Goals:

- Building advocacy skills, completing a leadership project

Professional interests include:

- Pediatric feeding disorder and dysphagia, focus on infants
- Perinatal mental health & infant/early childhood mental health
- Systems improvement particularly NICU to home transition
- Rural healthcare and equitable access to quality care
- Training community providers to build workforce capacity

About me

- Born/raised in rural Nebraska where ALL our families still live
- My husband and I moved to Seattle for graduate school and haven't left. We have two children and two dogs
- Love supporting our girls in their activities and interests
- Lived experiences of pregnancy & labor/delivery complications
- I enjoy taking photos, gardening, and baking cakes
