## M.S. ABA; Ed.S. School Psychology

*UW LEND Applied Behavior Analysis/Mental Health Trainee*

I was born and raised in Spokane, WA. Throughout college, I lived in Portland, OR and Colorado Springs, CO. My husband and I moved back to Spokane, WA when we found out we were pregnant with our daughter in 2015. I am a mom to two wonderful kids (Kinsley and Carter) and five fur babies. My husband works for DSHS in Long Term and Aging Care.

I am Licensed Assistant Behavior Analyst and recent School Psychology graduate. I am also the parent of a child with Autism. I own a behavioral health business in Spokane. My business focuses on community collaboration, DDA, mental health, school support, and parent advocacy.

### Education

- Arizona State University – B.A. Psychology
- Capella University – M.S. Psychology with an emphasis in Applied Behavior Analysis
- Eastern Washington University – Ed.S. School Psychology

**LEND Goal:** I am excited to extend my LEND experience into ongoing interdisciplinary work in my community!
