

Emily Jernigan, B.A. (she/her)

UW LEND Audiology

About me!

I grew up on Bainbridge Island, Washington – just a quick ferry ride from Seattle.

Education

- Western Washington University, Clinical Doctorate in Audiology, Au.D.
- Washington State University, Speech and Hearing Sciences, B.A. and Anthropology, B.A.

I am excited for the opportunity to collaborate with multiple disciplines, learn from others and their experiences, and incorporate LEND principles into my clinical practice.

I enjoy spending time with my three cats and family, playing with plants, cooking/baking, trying new eateries, and puzzling!
