

Maya King PT, DPT, M.S. (she/her)

Physical Therapy

I'm from the east coast (Falls Church, VA, outside of Washington D.C.), but now living in Seattle

I graduated with my doctorate in Physical Therapy in 2023 and am now completing my Pediatric Physical Therapy residency with UW/Seattle Children's Hospital

I'm excited for the learning experiences that LEND provides and being able to hear perspectives from different people

I enjoy traveling, art, and sports (and cheering on my favorite teams, Go Heels and Go Blue!)
