

**Hello!**

- **My name is Megan Lee, I was born and raised in Yakima Washington. I completed my B.A. in Psychology/Special Education at CWU in Ellensburg.**
- **I am currently working full time as a Registered Behavioral Tech with children on the spectrum at Children's Village.**
- **I am most excited to learn how to become a better advocate for my brother as well as the clients I work with. Additionally, I look forward to learning more about the supports and services out there for adults with disabilities.**
- **When I am not working, I love to travel to different countries, cook, hike and spend time with my family.**

**It's a pleasure to meet you all! :)**
