

# Hannah Rea, PhD (she/her)

UW Clinical Psychologist

**Background:** I was born and raised in Rockville, Maryland.

## **Education:**

Emory University (B.A.)

University of Georgia (PhD)

UC Davis (PhD Internship)

UW (postdoc + faculty)

**LEND Goals:** I'm excited to work with other disciplines to learn more about providing multidisciplinary care to individuals with neurodevelopmental disabilities along with their families. I'm also excited to learn about local resources so I can better support families.

**Interests:** Anything active outside (swimming, biking, running...), bouldering, cooking/baking, and spending time with my family
