

Remi Shore, MSW Candidate, She/They

UW LEND Community Trainee

I'm from Boston but moved here to attend UW where I will be a 2nd-year MSW student.

My practicum this fall will be at the Seattle Children's Hospital in the Psychiatry and Behavioral Medicine Unit. They have a specialized program for children with severe IDD but no supervisor for that part of the unit, so I thought being a community trainee would be an excellent enrichment opportunity that aligns with my interests.

In my free time, I enjoy being outside and I love to play board games with friends.
