- Teacher of Children with Visual Impairments (TCVI) and Certified Orientation and Mobility Specialist (COMS)
  - Serving Spokane County ESIT children birth-3 and transfers to school district vision education services
  - 17 years teaching (private/public/early intervention)
- Looking forward to:
  - expanding collaborative relationships and ways to deliver more comprehensive care for families I serve
  - sharing the impact vision has on development and safe/independent mobility
- I enjoy being outdoors with my family, recharge by baking, and love a good book!
